Chairman's Message

Sincere thanks from myself and the rest of the War Committee for those of you who supported the Rat Pack evening on the 27th March which raised an incredible £1,275.00 for the War Memorial fund. We hope as many of you as possible will come along to our next event, the Dinner Dance on Saturday 9th when we will be celebrating the 70th anniversary of V E Day. Tickets for this are now available at £17.50 each which includes the fish and chip supper.

This month's meeting is at the end of our 3rd year as a group and will include another opportunity to sort through some of the very interesting documents and photos which we have been given. Hopefully we will have time to list some of these for cataloguing for our digital archives. We could really do with some help on the committee as over the past few months there have only been four of us due to Vanya's work commitments, I hope a few of you may consider joining the committee as we have so many things we would like to progress but are unable to without some more help. Carole Bell has been working hard putting together another interesting programme for the next twelve months, details of this will be available on Monday. Membership of the society will stay at just £12.00 for a year, with a charge of £3.00 for visitors. I look forward to seeing as many of you as possible you on Monday evening.
