### **Chairman's Report**

The first week in October saw the successful publication of the Book of Harrietsham in Old Photographs and Postcards, I am pleased to report these have been well received by everyone who has purchased a copy. We are already receiving information on who's who in some of the photos and this information will be collated and put on our website. Our meeting on 21<sup>st</sup> Oct was the presentation by Andy Wood on Old Kent Windmills. Andy showed a number of pictures of the various types of mills there had been and their locations throughout the County. There are currently still eight mills which are the responsibility of Kent County Council, these are available to be visited; further information can be found on the KCC website [www.kent.gov.uk](http://www.kent.gov.uk).

The speaker at our meeting on Monday 18th November is Dr. John Reuther who will be giving a talk on the Origin & History of Nursery Rhymes. Please note work has started on the extension to the school and our access will be via the main entrance with parking in the lower playground. Our Christmas Social is on Monday 2<sup>nd</sup> Dec at The Roebuck, at 7. p.m. Places for this must be booked and paid for on Monday 18th Nov to enable us to confirm the numbers for food. Our first meeting in the new year will be on Monday 20<sup>th</sup> January, further details on this will be in the January Network.
