Chairman's Message

November started off very well with the completion of the society's 2nd book about the lives of the 31 people connected with the village who lost their lives in WW1 which was launched last Saturday. My thanks to everyone who turned out despite the very inclement weather for the service to re-dedicate the War Memorial, and a special thank you to all the helpers who made it a memorable day, especially for the relatives who attended. Copies of the new book will be available to purchase at a cost of £10.00 at our meeting on Monday 16th November when our speaker Anne Carter will be presenting her talk the Celebration of Christmas. I am pleased to confirm we will be going ahead with the Christmas Social evening on Monday 7th December at The Roebuck Pub as although only a few people put their names on the interest sheet at our last meeting, there has been a better response to Carole's recent email. The cost is £8.50 per person and we will need to have a firm number and payment as soon as possible to be able to arrange the refreshments. Could you please confirm whether you will be attending either by telephoning Carole on 850664 or at our meeting on Monday. Could I also remind everyone of the Christmas Tree event organised by Friends of St. Johns Church which is on Friday 4th and Saturday 5th December when Mike and Jill Bishop are decorating a tree on behalf of the History Society War Committee I look forward to seeing everyone next Monday evening.
