Chairman's Message

Great News!! Following another successful fund raising evening with the VE Dinner Dance last Saturday evening and a number of generous donations from members of the community, we have nearly reached our target for the works to the War Memorial and the replacement of the name plaques. The evening showed a profit of over £500.00 thanks to the tremendous efforts of our fund raising team and all of the helpers including three young women from the village who became barmaids for the evening. Sincere thanks from myself and the rest of the War Committee to everyone who supported the evening. At our AGM on the 20th April it was agreed to keep the yearly membership at £12.00 per person and this can be paid at our next meeting on Monday the 18th May. The charge for non-members who wish to come along to our meetings is unchanged at £3.00. On Saturday 16th May we have our usual stall at the School Fayre on the Booth field when we hope to encourage people to join the society and when we will have some photographs taken at our recent events on show. If you were not able to attend the AGM copies of the programme for the next twelve months will be Monday and can also be found on our website at harrietshamhistorysociety.org We have several other events coming up which are not in our programme but I will give you details of these on Monday evening.
